Audit Division Recommendation Memorandum on the North Dakota

Republican Party (NDRP) (A11-11)

Pursuant to Commission Directive No. 70 (FEC Directive on Processing Audit Reports, the Audit staff presents its recommendations below and discusses the findings in the attached Draft Final Audit Report (DFAR). The Office of General Counsel has reviewed this memorandum and concurs with the recommendations.

Finding 1. Misstatement of Financial Activity

A. Misstatement of Financial Activity - 2009 and 2010

In response to the Interim Audit Report (IAR) recommendation, NDRP filed amended disclosure reports for 2009 and 2010. However, these amendments did not materially correct the receipt or disbursement misstatements in either of the years. Subsequently, NDRP filed a second set of amended disclosure reports that only materially corrected the misstatement of 2010 receipts. Receipts and disbursements for 2009 and disbursements for 2010 remainmisstated.

In response to the DFAR, NDRP filed amended disclosure reports for 2009 and 2010. These amendments materially complied with the IAR recommendation.

The Audit staff recommends that the Commission find that NDRP misstated the beginning cash-on-hand balance in 2009 and receipts and disbursements in 2009 and 2010 on the most recent reports filed as of audit notification.

B. <u>Misstatement of Financial Activity – Increased Activity</u>
NDRP did not submit any additional information or written comments regarding this matter in its response to the IAR recommendation or the DFAR.

The Audit staff recommends that the Commission find that NDRP filed original disclosure reports for 2009 and 2010 that materially understated its disbursemente.

Finding 2. Reporting of Debts and Obligations

In response to the IAR recommendation, NDRP filed amended reports that disclosed the debts and obligations. NDRP did not submit any additional information or written comments regarding this matter in response to the DFAR.

The Audit maff recommends that the Commission find that NDRP failed to disclose dahts and obligations totaling \$235,563.

The Committee did not request an audit hearing.

If this memorandum is approved, a Proposed Final Audit Report will be prepared within 30 days of the Commission's vote.

In case of an objection, Directive No. 70 states that the Audit Division Recommendation Memorandum will be indeed on the next regularly scheduled open session agenda.
